I agree to contact FALC foster coordinator regarding any concerns with my foster cat as soon as they present themselves, and to not seek veterinary care without prior approval. I agree to not administer or give my foster cat any kind of medical attention myself unless instructed to do so.

**Initials:** \_\_\_\_\_

I understand that when fostering a rescued cat, the previous medical history is not always known. I understand that for this reason, FALC cannot always guarantee the health of our animals. Kittens are not always able to be tested for FIV (Feline HIV) and FeLV (Feline Leukemia) prior to admission into our foster program.

**Initials:** \_\_\_\_\_

I understand that FALC is the sole guardian of cats in foster care and that fostered cats must be returned to FALC upon request. I understand that FALC has the right to request fostered cats back at any time for any reason.

**Initials:** \_\_\_\_\_

I understand that if I, as a foster parent, want to adopt any of my foster cats, I must go through the standard FALC adoption process. I also understand that I may not adopt my foster cats out to another home without the consent of FALC.

**Initials:** \_\_\_\_\_

I understand that if I need to leave town while I have foster cats in my care, I will give FALC as much notice as possible so they may have time to find a replacement foster home. I also agree to not leave my foster cats in the care of another party without previous approval from FALC.

**Initials:** \_\_\_\_\_

I understand that upon approval of my application, a FALC representative may contact me to schedule an initial home-visit prior to any cats being placed in my care. I also understand that upon having a cat placed in my care, a FALC representative may request to perform periodic home visits to ensure the welfare of the animal.

**Initials:** \_\_\_\_\_

By signing this agreement, I acknowledge that FALC is not responsible for injuries caused by my foster cats to any people (including residents and guests in my home), and/or any other animal(s). I also acknowledge that FALC is not responsible for any damages to my home caused by my foster cats. This includes but is not limited to clothing, furniture, and flooring.

I certify that all of the information contained within this application is true to the best of my knowledge.
